

Professional liability insurance for:

**Certified Auditor/
Sworn Auditor**

Territory (AVB WSR 558)

1. Germany
2. European countries, Turkey, the Russian Federation and so called former Soviet Union countries and overseas territories of European countries which are member states of the EU and the EEA.

The insurance covers third party liability claims,

- (1) if they are pursued in litigation before courts of the above-mentioned countries, and
- (2) if they result from any violation of or non-compliance with the regulations of the above-mentioned countries.

3. In countries which are not listed above, ones:
 - (1) which result from the auditing action of the certified auditor provided that German legal regulations were adopted as the legal basis for the order between the insured and their client,
 - (2) which result from professional tax consulting related to claim payouts for particular countries provided that German legal regulations were adopted as the legal basis of the order between the insured and their client.

In both cases insurance claim payouts are limited to the statutory minimum sum.

4. Worldwide liability claims

which result from activities carried out by branch offices and affiliations of the company and other consultancy offices abroad to the maximum amount of the statutory minimum sum insured.
